

ASSOCIATE IN APPLIED SCIENCE (AAS) DEGREE AND GENERAL EDUCATION REQUIREMENTS

Maricopa County Community College District (MCCCD) 2022-2023

Description

The Associate in Applied Science (AAS) degree requires at least 60 credits in its program of study. The exact number of credits for a specific degree is identified as part of the presentation of its requirements on the web or in the college catalog.

Purpose of the Degree

The Maricopa County Community College District Associate in Applied Science (AAS) degree is recommended for students who wish to gain a depth of technical expertise in a particular workforce-related area of study. The AAS degree options vary at the different MCCCD colleges and can be searched alphabetically (<https://curriculum.maricopa.edu/curriculum/degrees-certificates/associate-degrees/associate-of-applied-science-degrees-aas/>) or by field of interest (<https://www.maricopa.edu/degrees-certificates/>). Requirements for each degree can be found on the linked web pages and in the corresponding college(s)'s catalog.

Academic Policies That Govern the AAS Degree:

- Requires 60 or more credits numbered 100 or above and includes credits or the equivalent in the General Education Core areas and credits in the Distribution areas. AAS degree requirements follow with the use of a diagonal character (/) between course numbers to signify options. An asterisk (*) following the course number defines requirements with an effective begin term of spring;
- All courses must be completed with a grade of C or higher; any additional requirements such as grades of B or higher or minimum grade point average requirements are listed on individual degrees and certificates;
- The graduation policies within the general catalog must be satisfied (Administrative Regulation 2.3.9). First Year Experience required (FYE101 OR FYE103)
- Includes both courses and their modular equivalents, either the course or the modular equivalents will satisfy the Associate in Applied Science requirements.
- Requires completion of General Education courses as indicated in the General Education Requirements for the Associate in Applied Science degree from the Maricopa County Community College District, or completion of a curriculum as stated in the catalog;
- Accepts one of the courses that is cross-referenced with other courses.
