## Accreditation

At Chandler-Gilbert Community College, we've worked hard to ensure our certificate and degree programs meet the highest educational standards. We are proud to be accredited by the Higher Learning Commission (HLC), an independent corporation aimed at advancing the quality of higher learning in the United States. The HLC is one of two commission members of the North Central Association of Colleges and Schools, which is one of six regional accreditors in the U.S. The HLC accredits degree-granting post-secondary educational institutions in 19 states.
